Subject: Please include protecting and growing industry jobs in Comp. Plan!
Date: Thursday, July 30, 2015 2:45:41 PM

Please keep our current Industrial jobs intact.

Also, please work on bringing us good family wage earning jobs to our county.

If you are not able to do this, please refrain from running to represent our county and fellow citizens as well over sixty percent want family wage earning jobs in our county.

Please heed the voice of your constituents and not the very vocal minority.

Michael Gallegos
