2 No special child or student discount is available for drivers of vehicles.

3 Student multi-ride cards shall be sold to full-time students only. Student multi-ride cards shall only be sold at Public Works Accounting (Administration) office. Proof of current full-time enrollment shall be required at the time of purchase.

4 During the term of the Tidelands Lease Agreement dated 10/24/2011, Lessee (Whatcom County) shall grant free foot and non-commercial passenger vehicle passage upon and across the ferry operated by Lessee between Gooseberry Point and Lummi Island to those persons going to Lummi Island for legitimate tribal business who are either enrolled members of the Lummi Nation or employees thereof, and who also present appropriate identification issued by the Nation, including Indian Business Council Identification cards or current fishing cards/licenses as issued by the Lummi Nation.

5 A special needs-based discount is provided for Lummi Island residents who meet the very low income levels set annually by the Department of Housing and Urban Development (HUD). The current year's levels will be posted on the Whatcom County Public Works' Ferry web page (www.whatcomcounty.us/publicworks/ferry/index.jsp). The Reviewing Authority will screen all applicants to determine eligibility. The number of needs-based applications processed annually, regardless of approval, will depend on the constraints of the Ferry Operations budget for each year. These special needs based tickets will only be sold at the Whatcom County Public Works Administration building in Bellingham and will require a valid voucher issued from the Reviewing Authority and valid I.D. Forms and procedures will be developed by Whatcom County Public Works and the Reviewing Authority.
