

PROCEDURES FOR AMENDING THE WHATCOM COUNTY ZONING TEXT AND/OR ZONING MAP

The process for amending the Whatcom County Zoning Ordinance and zoning maps is outlined in Chapter 20.90 of the Zoning Ordinance. It is summarized as follows:

- The person who wants the amendment completes an application form and environmental checklist. Application forms can be obtained from the Whatcom County Planning & Development Services Department, Planning Division, 5280 Northwest Drive, Bellingham WA 98226 or on the Whatcom County Website at:
<http://www.whatcomcounty.us/DocumentCenter/View/2229>
- The person who wants the amendment submits the completed application form and the environmental checklist to the Planning Division by December 31st.
- The person applying for the amendment pays the fees at time of application.

- **Application fees are as follows:**

Zoning Amendment	\$8,660
Environmental (SEPA) Checklist:	\$400

Note: Fees are subject to change upon adoption of the Whatcom County Unified Fee Schedule each year by the County Council.

- The Planning Division evaluates the proposal and issues a staff report.
- The Planning Commission (or hearing examiner for site specific rezones) holds a public hearing and issues findings & recommendations, which are sent to the County Council.
- The County Council reviews the findings & recommendations and makes a final decision on the proposal. The Council may hold a hearing before making a decision.

In order to be approved, proposed amendments must be in compliance with the Comprehensive Plan and meet other criteria.

If the proposed zoning change requires a comprehensive plan amendment, then a different process and time frame applies. See the comprehensive plan amendment info sheet.
