
Appendix E

Literature

Amphibians

Danilson et al. 2013. Oregon spotted frog surveys in Skagit and Whatcom Counties, Washington. Washington Department of Fish and Wildlife.

Hallock, Lisa. 2013. Draft State of Washington Oregon Spotted Frog Recovery Plan. Washington Department of Fish and Wildlife, Olympia 93+v pp.

Birds

Game and Status Report. Multi-year. WDFW.

Habitat and Population Objectives for Landbirds in Priority Upland and Riparian Habitats in the Puget Lowlands Ecoregion. Altman, Bob. 2010. Pacific Coast Joint Venture.

Important Bird Areas of Washington. Cullinan, Tim. 2001. Audubon Washington.

Lower Nooksack River Project: Alternatives Analysis, Appendix H: Maps of Waterfowl and Shorebird Habitat Types. 2015.

Pacific Flyway Data Book, 2015, Migratory Bird Population Indices, Harvest, and Hunter Participation and Success. Olson, Steven. 2015. U.S. Fish and Wildlife Service Division of Migratory Bird Management.

United States Shorebird Conservation Plan. 2001.

City of Bellingham

City of Bellingham Wildlife Habitat Assessment. Eissinger, Ann. 2003.

Bellingham Habitat Restoration Technical Assessment. 2015.

City of Bellingham Marine Nearshore Habitat Connectivity Study. 2014.

Climate Change

A Practical Approach for Translating Climate Change Adaptation Principles into Forest Management Actions. 2014.

Bioinvasions in a Changing World: A Resource on Invasive Species-Climate Change Interactions for Conservation and Natural Resource Management. 2014.

Canada's Marine Coasts in a Changing Climate. 2016. Lemmen, D.S., Warren, F.J., James, T.S. and Mercer Clarke, C.S.L editors.

Climate Change Vulnerability and Adaptation in the North Cascades Region, Washington. 2014. United States Department of Agriculture.

Considering Multiple Futures: Scenario Planning to Address Uncertainty in Natural Resource Conservation. 2014. Rowland, E.R., Cross, M.S., Hartmann, H. US Fish and Wildlife Service.

Reasonably Forseeable Futures: Climate Change Adaptation and the National Environmental Policy Act. 2012. Defenders of Wildlife.

State of Knowledge: Climate Change in Puget Sound. 2015. Climate Impacts Group, University of Washington.

Conservation Tools

Open Standards for the Practice of Conservation. 2013. The Conservation Measures Partnership.

Conservation Biology for All. 2010. Sodhi, N.S. and Ehrlich, P.R.

Biodiversity Conservation Toolbox for Planners

Ecosystem Services as a Framework for Forest Stewardship: Deschutes National Forest Overview. 2011. US Department of Agriculture.

An Assessment of the Ecosystems of Nantahala-Pisgah National Forest & Surrounding Lands: A Synthesis of the eCAP Methodology and LiDAR Vegetation Analysis. 2013. Kelly, J.

Corridors and Connectivity

A Simple Structure Supports a Complex Habitat in Wildlife Crossing Design. 2012. Apfelbaum, S., Rock, R., and Zoli, T. Ecological Restoration 30(4)p341-344.

Best Management Practices for Wildlife Corridors. 2008. Northern Arizona University. Beier, P., Majka, D., Newell, S., and Garding, E.

Beyond Ecological Success of Corridors: Integrating Land Use History and Demographic Change to Provide a Whole Landscape Perspective. 2012. Ryan, S.J. and Hartter, J. Ecological Restoration 30(4)p320-328.

Conceptual steps for designing wildlife corridors. CorridorDesigner Project. Beier, P., Majka, D., and Jenness, J.

Conceptualizing and Designing Corridors for Climate Change. 2012, Beier, P. Ecological Restoration 30(4)p312-319.

Connectivity Restoration in Large Landscapes: Modeling Landscape Condition and Ecological Flows. 2012. Baldwin, R.F., Reed, S.E., McRae, B.H., Theobald, D.M., and Sutherland, R.W. Ecological Restoration 30(4)p274-299.

Conservation Buffers: Design Guidelines for Buffers, Corridors, and Greenways. 2008. US Department of Agriculture.

Forks in the Road: Choices in Procedures for Designing Wildland Linkages. 2008. Beier, P., Majka, D.R., and Spencer, W.D. Conservation Biology.

Linkages in the Landscape: The Role of Corridors and Connectivity in Wildlife Conservation. 2003. Bennett, A.F. IUCN Forest Conservation Programme.

Modeling Potential Broadscale Wildlife Movement Pathways Within the Continental United States. 2010. Fields, K., Theobald, D.M., and Soule, M. Wildlands Network and Colorado State University.

Policy Foundations for a Path Forward in Large Landscape Connectivity Conservation. 2012. Fields, K., Ament, R. Johns, D., Davis, J., and Bowers, K. Ecological Restoration. 30(4)p308-311.

Relative Sensitivities of Mammalian Carnivores to Habitat Fragmentation. 2002. Crooks, K.R. Conservation Biology.

The Role of Landscape Connectivity in Planning and Implementing Conservation and Restoration Priorities. 2012. Ecological Society of America.

Toward Best Practices for Developing Regional Connectivity Maps. 2011. Beier, P., Spencer, W., Baldwin, R.F., and McRae, B.H. Conservation Biology.

Tying a Wildlife Bridge into the Ecological Landscape. 2012. Askins, R. Ecological Restoration 30(4)p.345-346.

Washington Connected Landscapes Project: Statewide Analysis. 2010. Washington Wildlife Habitat Connectivity Working Group

Wildlife Crossing Structure Handbook: Design and Evaluation in North America. 2011. US Department of Transportation.

Fish

2012 Washington State Herring Stock Status Report. 2014. WDFW.

Land Use Planning for Salmon, Steelhead and Trout: A land use planner's guide to salmonid habitat protection and recovery. 2009. WDFW

Pacific Coast Salmon Plan. 1999. Appendix A: Identification and Description of Essential Fish Habitat, Adverse Impacts, and Recommended Conservation Measures for Salmon. Pacific Fishery Management Council.

Puget Sound Salmon Recovery Plan. 2007. National Marine Fisheries Service

WRIA 1 Management Plan and associated documents.

Floodplain

Ecological Issues in Floodplains and Riparian Corridors. 2001. WDFW, WDOE, WSDOT.

Forest

Planning for Diversity: A guide to national forest planning to conserve America's wildlife. 2015. Defenders of Wildlife.

Design and management of linkage areas across headwater drainages to conserve biodiversity in forest ecosystems. 2009. Olson, D.H. and Burnett, K.M. Forest Ecology and Management.

Diversifying Forest Structure to Promote Wildlife Biodiversity in Western Washington Forests. 2012. Zobrist, K.W. and Hinckley, T.M. Washington State University. EM044.

Land and Resource Management Plan: Mt. Baker-Snoqualmie National Forest. 1990. United States Department of Agriculture.

Growth Management Act

The Protection of Wildlife Under Washington's Growth Management Act. 1993. University of Puget Sound Law Review. Vol 16:1101.

Habitats

Cherry Point Environmental Aquatic Reserve Management Plan. 2010. Department of Natural Resources.

Classification of Wetlands and Deepwater Habitats of the United States. 1992. US Department of the Interior.

Habitat Conservation Plan. 1997. Department of Natural Resources.

Upper South Fork Nooksack River Habitat Assessment. 2007. Lummi Nation Natural Resources Department.

Wetlands, 3rd ed. 2000. Mitsch, W.J. and Gosselink, J.G.

Wildlife-Habitat Relationships in Oregon and Washington. 2001. Johnson, D.H. and O'Neil, T.A.

Landscape

Cascades-to-Chuckanuts Conservation Plan. 2004. Whatcom Land Trust

Landscape Planning for Washington's Wildlife: Managing for Biodiversity in Developing Areas. 2009. WDFW.

Maintaining Populations of Terrestrial Wildlife Through Land Management Planning: A Case Study. 2011. Suring, L.H., Gaines, W.L., Wales, B.C., Mellen-McLean, K., Begley, J.S., and Mohoric, S. The Journal of Wildlife Management 75(4):945-958.

State Wildlife Action Plan Update. 2015. WDFW

Washington State Biodiversity Strategy. 2007. Washington Biodiversity Council.

Washington's Comprehensive Wildlife Conservation Strategy. 2005. WDFW.

Willamette Valley – Puget Trough – Georgia Basin Ecoregional Assessment. 2004. The Nature Conservancy.

Mammals

Fisher Recovery Plan. 2006. Washington Department of Fish and Wildlife.

Game and Status Report. Multi-year. WDFW.

The Beaver Restoration Guidebook: Working with Beaver to Restore Streams, Wetlands, and Floodplains. 2015. US Fish and Wildlife Service, National Oceanic and Atmospheric Administration, Portland State University, and US Forest Service.

Washington State Elk Herd Plan, North Cascades Elk Herd. 2017. WDFW.

Wolf Conservation and Management Plan. 2011. WDFW.

Management Recommendations

Dungeness Crab. 2008. Fisher, W. and Velasquez, D. WDFW.

Management Recommendations Washington's Priority Species – Invertebrates, Amphibians and Reptiles, Birds, Mammals, Dungeness Crab. WDFW.

Management Recommendations for Washington's Priority Habitats and Species. 1991. WDFW.

Marine

2010 Bellingham Bay Marine Sediment Monitoring: Infaunal Community and Data Summary. 2010.

A classification scheme for deep seafloor habitats. 1999. Greene, H.G., Yoklavich, M.M., Starr, R.M., O'Connell, V.M., Wakefield, W.W., Sullivan, D.E., McRea Jr., J.E., and Calliet, G.M. Oceanologica Acta 22(6)p663-678.

Northwest Straits Initiative 2014-2017 Strategic Plan. 2015. Northwest Straits Initiative.

Whatcom Marine Resources Committee 2011-2015 Strategic Plan. 2010. Northwest Straits Marine Conservation Initiative.

Plants

Field Guide to the Forested Plant Associations of the Mt. Baker-Snoqualmie National Forest. 1992. US Department of Agriculture.

Plants of the Pacific Northwest Coast. 2004. Pojar, J. and MacKinnon, A.

Trees of Washington. 2003. Washington State University EB0440.

Transportation

An Ecological Approach to Integrating Conservation and Highway Planning, Vol. 2. 2012. Transportation Research Board of the National Academies.

I-90 Snoqualmie Pass Wildlife Habitat Linkage Assessment. 2000. WS Department of Transportation.

Whatcom County

Birch Bay Watershed Fish and Wildlife Current and Conditions Landscape Assessment. 2007. WDFW & Nakeeta NW Wildlife Services.

Lummi Nation Atlas. 2014. Lummi Indian Business Council.

Nooksack River Management Planning Wildlife Database Model: an integrated wildlife and habitat database system for the Nooksack River Basin. 1993. Nakeeta Northwest.

“Preserving a Way of Life”: A Natural Heritage Plan for Whatcom County. 1991. Whatcom County.

Shoreline Management Program. 1997. Whatcom County.

Significant Wildlife Areas. 1994. Eissinger, A. Whatcom County.

The Nooksack River Plan. 1973. Jones & Jones.

Whatcom Wildlife Area Management Plan. 2006. WDFW.

Whatcom County Comprehensive Parks, Recreation and Open Space Plan. 2014. Whatcom County.

Whatcom County Fish and Wildlife Habitat: A Map Folio of Fish and Wildlife Habitat. 1994. Whatcom County

Whatcom County: Land Cover Change within Riparian Buffers. 2006-2011. WDFW

Whatcom County: Land Cover Change by Sub-Basin. 2015. WDFW.

Whatcom County Shoreline Master Program Update Background Information – Volume III Restoration Plan. 2006. Parametrix, ESA Adolfson, Jennifer Thomas and Associates, and Coastal Geologic Services Earth Systems.

Whatcom Local Integrating Organization Ecosystem Recovery Plan. 2016.

Whatcom County Planning and Development Services 2017

*There are an incredible number of resources available to support ecosystem and wildlife planning. This list of references represents only a small percentage of the multitude of available scientific studies and relevant data that could inform more effective ecosystem and wildlife planning. This list does not include relevant scientific groups and governmental agencies that could also support more effective ecosystem and wildlife planning.
