Re: Resolution Approving the Surplus Real Property

Enclosed is a resolution requesting the approval of the surplus Whatcom County real property.

Requested Action

Public Works respectfully requests that the Whatcom County Council approve the surplus of Whatcom County real property and schedule a public hearing on the sale of the property.

Background and Purpose

Public Works received an application to purchase Whatcom County real property located on Deeter Road, tax parcel number 400415 338138 0000. The property was formally Township property that the County obtained when townships were formally dissolved. The property consists of two small rectangular tracts and is bisected by Deeter Road. It is approximately 0.74 acres. Public Works determined that the property was not needed for Public Works' operations. The Property Management Committee (PMC) reviewed the application and determined that the property was useless and not needed by any other department. Per RCW and Whatcom County Code, the PMC has recommended the sale of the property. The property is to be sold by sealed bid with the minimum sale price of \$5,000 (five thousand 00/100 dollars).

Funding Amount and Source

The successful bidder is responsible for paying all costs associated with the sale of property.
