Subject: Moratorium on fossil fuels

Whatcom County Council:

Please extend the temporary moratorium on fossil fuel transport.

I have lived in Whatcom County since 1972 and dedicated my career to protecting the Salish Sea. I was a gill netter, school teacher, scientist and now recently retired from Padilla Bay National Estuarine Research Reserve.

I beg you, please do everything you can to protect our water, beaches, salmon and Orcas for the sake of our grandchildren and generations to come.
